

A mobile application interface for entering availability. The screen is white with a black border. At the top, there is a status bar with a grey background showing a Wi-Fi icon, a cellular signal icon, a battery icon, and the time 8:14. Below the status bar is a blue back arrow icon. The main title "Disponibilité" is centered in a large black font. Below the title is a numeric input field containing the number "15" and a spinner icon. At the bottom is a green button with the text "Valider" in white.

Valider

A smartphone mockup displaying a task creation form. The screen shows a back arrow, a status bar with signal, Wi-Fi, and battery icons at 8:14. The form fields are: 'Nom de la tâche' with the value 'Sortir les poubelles'; 'Détail' with the value 'Ben descendre et sortir les poubelles'; 'Durée d'exécution estimée' with a dropdown menu showing '15mn'; and 'Date limite d'exécution' with a date picker showing '24/12/2017' and a calendar icon. A green 'Ajouter la tâche' button is at the bottom.

Ajouter la tâche

The image shows a hand-drawn sketch of a smartphone screen. The screen displays a form for modifying a task. At the top, there is a status bar with a back arrow, signal strength, battery level, and the time 8:14. The form contains the following elements:

- Nom de la tâche**: A text input field containing "Sortir les poubelles".
- Détail**: A text input field containing "Ben descendre et sortir les poubelles".
- Durée d'exécution estimée**: A text input field containing "15mn" and a small up/down arrow icon.
- Date limite d'exécution**: A text input field containing "24/12/2017" and a calendar icon.
- Enregistrer la tâche**: A green button with white text.
